PRESS RELEASE

YOUNG HORSE CLINIC FOR RIDERS, JUDGES & TRAINERS

Legendary young horse rider and trainer Dr Ulf Moeller and Australian international young horse judge Susie Hoevenaars are conducting a Young Horse Clinic on Sunday March 21 at the Werribee Park National Equestrian Centre, following this year's PSI Dressage & Jumping With the Stars event.

Open to judges, riders and trainers, the morning will be both informative and inspiring as Ulf works with horses aged from 4 to 6 years, and shares his observations, insights and training principles that have made him one of the world's best young horse trainers. The requirements of the horse at each of the age levels will be discussed and shown, and will be extremely beneficial for young horse judges attending. Many observers of this clinic in previous years have considered it to be one of their highlights of DJWTS !

Young horse riders have a unique opportunity to benefit from Ulf's expertise by participating in this clinic as one of the demonstration horses. Application forms can be found at www.vic.equestrian.org.au and must be returned by March 1. The final selection of horses for the clinic will be made by Dr Ulf Moeller during Dressage & Jumping with the Stars

For riders and trainers this is a fantastic opportunity to listen and learn from a rider and trainer who has won both Bundeschampionships and World Championship Young Horse titles. After attending this clinic you will be planning your 2011 DJWTS campaign !

All Young Horse judges are encouraged to attend and should note that this is a nominated workshop for accreditation purposes.

The clinic is scheduled to run from 9am to approx. 1pm on Sunday March 21. Tickets are \$50 per person and are available up until March 8 from GPAC, tel 03 5225 1200, or available at the door on the day itself.
