

YOUNG DRESSAGE ASSOCIATION INC.

TRAINING/PROTOCOL DAY

21st February 2010

- Been thinking of competing, but feeling a little daunted??
- Need a friendly, low-stress environment to get started ??
- Want a chance to practice and improve your technique ??

Come along to our "Break the Ice" day.

A fun, informal atmosphere (no jackets, no plaiting etc) and the chance to improve your technique and confidence.

Ride the test/s of your choosing and after chatting with the Judge and receiving your Test paper, take it to one of the highly experienced Instructors in a Training Arena for about 15 minutes of helpful advice and assistance on how you can improve your test. Then go back and ride the test again.

A wonderful opportunity to practice in a "real comp" environment but with no pressure.

Neat, tidy riding wear required and boots and approved safety helmet essential.

These will be either experienced coaches and/or judges. They will go through the test sheet with you and assist with problems that arose during the first test that caused loss of marks.

After approximately 15 minutes assistance you will ride back to the judge and re-ride your test and be re-marked.
